An oral agreement was reached that this office would organize two seminars on the subject of investment opportunities in Spain, to be held in San Francisco and Los Angeles, and one Business Luncheon in Seattle, for the same purpose. Attached is a copy of a letter from the client confirming their intention to hire us for the stated purpose. We proceeded to do the work, which was completed in late November, 1980, based on that letter and the agreed-upon fee.

- Describe fully the nature and method of performance of the above indicated agreement or understanding.

We contacted local organizations that might be interested in the subject, put together a program of speakers and topics, printed announcement brochures and mailed them out to members of the local organizations (such as chambers of commerce, world trade associations, etc.), handled reservations and all details of staging the seminars. For the luncheon in Seattle we drew up an invitation list, prepared letters and organized menu, seating, and program for the luncheon.

The entire project was carried out in the 4-month period August-November, 1980.
